Caught Cold While Hunting a Burglar.

Mr. Wm. Thos. Langan, provincial constable at Chapleau, Ontario, says: "I caught a severe cold while hunting a burglar in the forest swamp last fall. Hearing of Chamberlain's Cough Remedy, I tried it, and after using two small bottles, I was completely cured." This remedy is intended especially for coughs and colds; it will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. GOT THE WRONG LETTER.

Man Opened Letter Intended for Another of Same Name.

Sherman, Tex., April 8.—Deputy Sheriff George Jenkins is ruminating on the strangeness of the things that be as the result of the receipt of a letter addressed to Geo. W. Jenkins, and meant for another individual. George has not a middle initial in his name, but notwithstanding this nearly half his mail is addressed "George W." as the average individual thinks that any man with the monogram of "George" must have the middle name "Washington." Consequently George opened the letter yesterday morning and was not a bit astonished to read its contents, which were as follows:

"Eureka, Kan., March 30.—Geo. W. Jenkins—Kind Friend: Yours to hand, I cannot consider your proposal, as you have children and I have one at home and two sets of children never make a happy home. Wishing you all good luck for the future, I am."

Mrs. And George roared.
